Dear Veterans,

I would like to offer my deepest gratitude to all of the brave men and women who have served in the United States military. As a token of my appreciation, it is my pleasure to be able to offer Veteran's ID Cards, free of charge. I hope that you will take advantage of this service and use the card to benefit from the many discounts offered by the businesses of Morris County. More importantly, you will have the peace of mind knowing that your discharge papers are officially and permanently recorded should you ever need a replacement certified copy.

You can never be thanked enough for your service and dedication.

Sincerely,

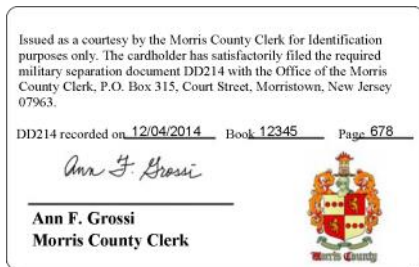

Ann F. Grossi, Esq.
Morris County Clerk

A very special thank you to Michele Sylvan from Parsippany, Sam A. Saporite from Rockaway Borough, James Cicatelli from Rockaway Township and Russell Sieb from Randolph for devoting so much of their time to asking many of these businesses to participate and helping us make Operation Give Back such a success!

GET YOUR FREE VETERAN'S ID CARD!

All that is required is:

- One form of ID to prove Morris County residence
- Original or certified copy of the discharge record
(if it is already on file with our office, we can look it up)

As a courtesy to the courageous men and women that have served in the armed forces, the Morris County Clerk's Office is proud to offer free ID cards to honorably discharged veterans. All that is required is one form of identification proving Morris County residency and the original or certified copy of the discharge record. If the record is already on file with our office, the original or certified copy is not necessary.

All discharge records that are not already on file with our office will be permanently recorded and returned to the veteran. All discharge documents recorded in our office are considered confidential and can only be accessed by the veteran or a member of his or her immediate family.

These cards not only provide an additional form of identification but also discounts at many businesses throughout Morris County. County Veteran's ID Cards are not designed to replace the federal Veteran Health Identification Card (VHIC) needed to access Veterans Affairs health benefits or other government programs.

No appointment is necessary. We are available any time from 8:00 AM - 4:30 PM, Monday through Friday. For more information, you may call 973-285-6122 or visit our website at www.morriscountyclerk.org.
