**STATE PUBLIC QUESTION NO. 1**

**ANNUAL DEDICATION OF UP TO \$98 MILLION OF STATE SALES AND USE TAX REVENUE FOR OPEN SPACE, FARMLAND, AND HISTORIC PRESERVATION**

Shall the amendment to Article VIII, Section II, of the Constitution of the State of New Jersey, agreed to by the Legislature, to (1) dedicate \$98,000,000 in each fiscal year, for the next 10 years, of State revenue from the State tax imposed under the "Sales and Use Tax Act" for the acquisition and development of lands for recreation and conservation purposes, for the preservation of farmland for agricultural or horticultural use and production, and for historic preservation, and to satisfy any payments relating to bonds, notes, or other obligations issued for those purposes, and (2) dedicate up to \$98,000,000 in each fiscal year, for up to 20 years thereafter, of State revenue from the State tax imposed under the "Sales and Use Tax Act" to satisfy any payments relating to bonds, notes, or other obligations issued for those purposes, be approved?

**INTERPRETIVE STATEMENT**

Approval of this constitutional amendment would dedicate \$98 million annually in State sales and use tax revenue for the years 1999 to 2009 to finance open space, farmland, and historic preservation. From 2009 to 2029, this measure would provide for the payment of debt on any bonds issued by an authority to finance these same purposes by dedicating an amount sufficient to pay the debt, up to \$98 million annually. This measure also would provide that any bonds issued by an authority relying on the State sales and use tax revenue provided in this dedication must be issued by 2009. This constitutional amendment does not raise any existing tax or authorize a new tax but would dedicate annually a portion of future revenues from an existing tax.

**STATE PUBLIC QUESTION NO. 2**

**CONSTITUTIONAL AMENDMENT ALLOWING THE LEGISLATURE TO AUTHORIZE, BY LAW, THE SPECIFIC KIND, RESTRICTIONS AND CONTROL OF WAGERING ON HORSE RACES**

Shall the amendment to Article IV, Section VII, paragraph 2 of the Constitution, agreed to by the Legislature, providing that the Legislature may authorize, by law, the specific kind, restrictions and control of wagering on live or simulcast running and harness horse races conducted within or outside of this State, and providing that the State's share of revenues derived therefrom will be used for such purposes as shall be provided by law, be adopted?

**INTERPRETIVE STATEMENT**

The purpose of this amendment is to give the Legislature the authority to respond promptly to the changing needs of New Jersey's horse racing industry which faces strong competition from New York, Pennsylvania, and Delaware racetracks. Adoption of this amendment would give the Legislature the power to enact laws authorizing the specific kind, restrictions and control of wagering on horse races. This power would apply to live or simulcast running and harness horse races conducted in this State or outside of this State. At present, the Constitution permits only pari-mutuel wagering on races and any law to change this must be placed on the ballot and approved by the voters at a general election. State revenue from these activities would be used for purposes to be provided by law. A "Yes" vote on this question would allow the Legislature to enact laws benefiting the horse racing industry which contributes a billion dollars each year to the State's economy, employs tens of thousands of individuals and helps to preserve open space.

**STATE PUBLIC QUESTION NO. 3**

**ALLOWS USE OF 1989 NATURAL RESOURCES BOND MONIES AND 1986 RESOURCE RECOVERY AND SOLID WASTE DISPOSAL FACILITY BOND MONIES FOR PAYMENT OF SOLID WASTE FACILITY DEBT AND FORGIVENESS OF LOANS MADE WITH BOND FUND MONIES**

Shall the revisions to the "Natural Resources Bond Act of 1980" and the "Resource Recovery and Solid Waste Disposal Facility Bond Act of 1986," which authorize the use of bond moneys for grants to assist local government units with the payment of costs and the payment of or security for the payment of debt service costs, incurred for solid waste facilities, including completed, abandoned or canceled facilities, and provides for the forgiveness of loans made pursuant to the bond acts, be approved?

**INTERPRETIVE STATEMENT**

This measure would permit changes in existing bond acts previously approved by voter referendum. Approval of this measure would not involve any new State bonded indebtedness. These changes to the "Natural Resources Bond Act of 1980" and the "Resource Recovery and Solid Waste Disposal Facility Bond Act of 1986" would allow funds made available by these bond acts to be used to make grants to counties and public authorities to pay for costs incurred prior to November 10, 1997 for completed, abandoned or canceled solid waste facilities, to pay for or provide security for debt obligations issued prior to November 10, 1997 which were issued to finance the costs of solid waste facilities, and would allow the state Treasurer to forgive the repayment of loans which previously had been made pursuant to these bond acts to finance solid waste facilities. The construction of solid waste facilities resulted in significant public investment and debt. When the United States Supreme Court ruled that state and local governments cannot require the use of in-state facilities to dispose of local solid waste, the public investment in these solid waste facilities was put at risk. This measure would help counties and public authorities in improving the financial situation of these facilities while protecting the public funds already invested in them.

**COUNTY PUBLIC QUESTION NO. 1**

Shall the Morris County Board of Chosen Freeholders establish a separate Open Spaces Trust Fund for the purpose of development of county owned park facilities (capital improvements) by the Morris County Park Commission, upon completion of a plan, to be funded at the rate, not to exceed, 1/4 of one cent per one hundred (\$100) dollars of total County equalized real property valuation?

**INTERPRETIVE STATEMENT**

A yes vote will enable the county to create a new, additional, dedicated open space trust fund to be used by the Morris County Park Commission for the development of county owned park facilities (capital improvements). The county would prepare and adopt a plan which would identify the location and type of development activities to be undertaken by the Park Commission.

**COUNTY PUBLIC QUESTION NO. 2**

Shall the County of Morris modify the Open Space and Farmland Preservation Trust Fund which was previously approved and established by referendum in 1992 by increasing the monies raised for the Fund from the existing amount, not to exceed two (\$.02) cents to a sum not to exceed three (\$.03) cents per One Hundred (\$100) Dollars of total County equalized real property valuation for the acquisition of lands for recreation, open space and conservation purposes, the acquisition of farmland for farmland preservation purposes or for the payment of debt service or indebtedness issued or incurred for any of the purposes described above?

**INTERPRETIVE STATEMENT**

A "Yes" vote will permit the County of Morris to raise the current "open space" tax from two (\$.02) cents per \$100 of total County equalized real property valuation to a maximum of three (\$.03) cents per \$100 of total County equalized real property valuation.
