

# OFFICE OF THE MORRIS COUNTY CLERK

**Ann F. Grossi, Esq.**  
**Morris County Clerk**

**John Wojtaszek**  
**Deputy Clerk**

Dear Voter,

As a result of a new law signed by Governor Phil Murphy in August, all voters who requested and received a Mail-In Ballot during the **2016 General Election** are now due to receive a Mail-In Ballot for all future elections unless they have opted out by completing a form that was mailed to those voters in early September.

If you have received a Mail-In Ballot for this election without requesting one and wish to no longer receive one for every election, please fill out and return this form to us at your earliest convenience. If you have already returned a completed opt out form, you may disregard this letter. It was likely received by our office past the September 19th cutoff, which was necessary in order to have the ballots mailed by the State mandated deadline, and that is why you were sent a Mail-In Ballot for this election. Your name will be removed from the list of voters receiving Mail-In Ballots for all future elections.

Please be aware that because these ballots have already been mailed out according to law and the poll books marked accordingly, you must either complete the Mail-In Ballot or you will have to vote by Provisional Ballot at your polling place. You will not be permitted to vote by machine.

Please also note that if returning your Mail-In Ballot in person, it must be received by the Board of Elections before the close of polls on Election Day, at 8 PM. If returning your Mail-In Ballot by mail, it must be postmarked no later than Election Day and received by the Board of Elections no later than 48 hours after the closing of the polls.

Please feel free to contact our Elections Department at 973-285-6066 if you have any questions.

---

**Please be advised that I do not wish to receive a Mail-In Ballot for all future elections.**
