

SINGLE SIGNATURE ELECTRONIC GENERAL ELECTION INDEPENDENT CANDIDATE PETITIONS

The single signature sheets are intended to supplement the standard candidate petitions. Candidates must still complete all of the required documents (i.e. Certificate of Acceptance, etc.) found within the standard petitions. Petitions must be filed with the County Clerk by Primary Election Day, Tuesday, June 8th at 4:00pm, however they may be submitted electronically instead of in-person. Please call our Elections Department at (973) 285-6066 if you have any questions.

Instructions on Completing Electronic Nominating Petition:

- Step 1: Candidate/designee will download the petition signature sheet.
- Step 2: Candidate/designee will save the file to their computer/laptop.
- Step 3: Candidate/designee will fill in their information where required.
- Step 4: After a candidate/designee completes their information, they will need to save the file again to their computer/laptop.
- Step 5: The completed petition can then be provided to the petition signers electronically. The petition signer will need to print, sign, scan the document and return to the candidate. If the petition signer does not have the ability to print or scan a document, they must create a digital signature and return the electronic file to the candidate/designee. Please Note: It is the sole responsibility of the candidate/designee to collect the signature petition forms from the petition signers.
